AN ITW COMPANY

## MarksmanMATRIX™

High Resolution InkJet Printing

### Features and Benefits:

**Color Touch Screen** – 10" touch screen that features a clear, uncluttered and easy to use interface

**Windows Based** – allows for easy user interface and easy message creation

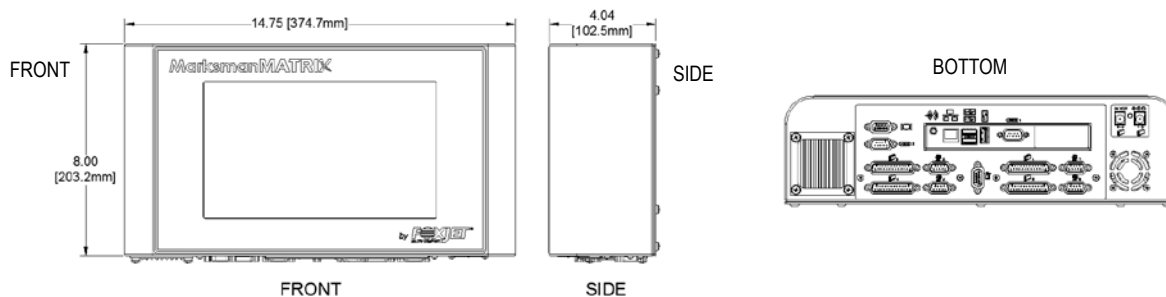

**Pop-Up Keyboard** – appears for editing and message creation and offers larger keys that reduce keying errors by 25%

**On Screen 3D Views** – featuring your package which allows for enhanced message creation

**Standard True Type and Unicode Fonts** – pre-loaded so users can begin creating messages

**Stainless steel enclosure** – provides maximum reliability in harsh environments

### Dimensions:
